## Newsletter

14 November 2014

### Staff Training Day

Please note that the training day scheduled for last term has now been re-scheduled to Friday **23 January 2015**. School will be closed to students on that day.

### Information Event on Post 19 Pathways & Transition Planning

An information event will take place at school on **Thursday 27 November** from **11:15am to 12:15pm** for parents and carers of Year 12 and Year 13 students. The event will be hosted by Jainn-Ann Davies who is our Personal Adviser from Connexions. There will be information on the options for young people with special needs when they leave school and advice on what action to take to prepare for the transition. Parents and carers are strongly advised to attend this event so planning and preparation can start as soon as possible to ensure a seamless transition for your child.

Thank you to everyone who came into school today in spots and donated money to Children in Need!

(Students will go home at 2.30 pm on the last day of term)

### Ofsted Inspection

An Ofsted inspector came into school on Tuesday with just a few hours' notice and inspected our residential provision over Tuesday, Wednesday and Thursday. The inspector looked at all aspects involved in the delivery of residential provision at Baskerville School and met staff and students. At the end of the inspection, we received really good feedback and everyone is looking forward to receiving an extremely positive report. We will post it on our school web site when it comes out. In the meantime, Richard O'Shea, our Head of Care, would like to thank all residential staff for their hard work and dedication with a cake from Mrs O'Shea!

to all the parents and carers who came to our Parents

Evening on Wednesday. If you were not able to come this time, you are welcome to call and make an appointment to see your child's form tutor. The next Parents Evening will be held on Wednesday 4 March 2015.

### Jewellery Wanted

Please send in any good quality unwanted jewellery to Denise so students can recycle it to sell in our Christmas Shop.
