### Getting to Know Harborne

Students of 5D are undertaking the Open Awards Unit

'Knowing Your Local Area'. On Tuesday learners walked around Harborne, our local area, and used ipads to capture some local scenes.

All students worked well and were able to identify many of the different features of Harborne.

### School Uniform and Personal Properties

The vast majority of students came back to school looking very smart in their school uniform. We appreciate the effort parents and carers have made to ensure that students wear the required school uniform.

Please don't forget to check your child's personal belongings, school uniform and PE kit etc and make sure they all have your child's name clearly written or sewn on them. If you have any queries relating to uniform please contact Pat or Becky.
