Planning Ahead

Parents and carers are reminded that a decision has to be made by the beginning of Year 14 as to where your young person will go after they have left Baskerville School. This process may have to be brought forward even earlier for some youngsters who find that they have outgrown what is on offer at Baskerville School before they reach Year 14.

Parents and carers will usually be provided with impartial advice and guidance on Post 19 service providers by school staff and our adviser from Birmingham Careers Service during their annual review meetings in Year 12.

Parents and carers are encouraged to start visiting service providers, exploring the various options and starting the process to secure placements at the appropriate time. Please do not hesitate to raise any questions during the annual review process or ask for information regarding service providers to facilitate the process.

Free Cinema Tickets for Carers

If your child is in receipt of Disability Living Allowance or Personal Independence Payment, the UK Cinema Association (formerly Cinema Exhibitors' Association) has a scheme which allows a carer free entry into selected cinemas when he or she is accompanying your child. All you need to do is to fill in an application form and send it in together with a passport size photo and a small processing fee to get a CEA Card which you can then use in most cinemas when buying ticket for the card holder. Please visit www.ceacard.co.uk or call 023 9224 8545 for more information.
