Special guests; DR SOX

ECO BUZZ guest editor for the newsletter = Ahmed

Ann led meeting

**Welcome**

**Aims**

- Recap
- To make an action plan for healthy living
- Bottles update
- AOB

**Matters arising**

Ann thanked committee for taking part in assembly

New topic = **healthy living** - everyone invited to share ideas to make the school a healthier place;

healthier puddings at lunch time	meditation/yoga/exercise clubs	morning brain gym to start the day in a good mood
----------------------------------	--------------------------------	---

Positive greeting from different member of staff - cards to say whether student wanted hand shake or hug etc.	More lunch clubs for joyful singing/relaxation/music	Football and cricket club
Jackie to host special lunch for kind acts once a month for students	Positive affirmation sessions - in class groups (write something nice on each other's backs)	More trips
Solar panels	A barefoot walk - could Zurich group help here?	Use ecoasia with chrome - every browse gives us a tree planted
Do more working with different groups e.g. 5d really liked helping 3aai	Stop using the plastic bowls for fruit salad	Exercise in the hall every day for everyone at beginning of day

4 working groups to be set up to move forward with actions;

Ann to ask Edyta to support the exercise group

### Bottle update

We are still working towards buying drinking bottles to stop wasting single use plastic cups

Cost = £450

Raised £107

£750 was raised from the Xmas fair for the student council. Reps from the council were invited to the front of the meeting

The eco committee asked for a donation - after a "dragons den" discussion the council agreed to give £250. The eco committee will raise the difference with a sponsored event to be organised at the next meeting.

As an interim measure, 5C had suggested using paper cones.

Ann thanked everyone for his or her fantastic participation and ideas.

Everyone was wished a merry Christmas and happy new year
